From Barbara . . .

“If only you had been here...” These words of Martha to Jesus talking about the death of her brother Lazarus could have hurt Jesus very much. If he had been there would he have saved Lazarus from death. The presence of Jesus is very powerful. From the very beginning of his ministry Jesus obviously had an impact on the people he was with. His absence was keenly felt. Even though Jesus is not present to us in the same way he was present to the people of New Testament times, he is very present to us every day. People who believe know that the presence of Jesus still has an impact on the world. Take time this week to be aware of God’s presence in your life in the big and little things that happen to you each day.

Remember that the Catholic Relief Services Rice Bowls are available in the back of church. All money returned to the parishes from the rice bowls is used for the lunch program in our sister parish in Haiti. Please be as generous as you are able.

As Holy Week approaches please keep praying for those who are preparing to become full members of our Catholic Church. It is always a pleasure to welcome new people to share our faith and our worship.

May God continue to bless us all.
